Sub : Registration for Rooftop Solar PV (RTPV) system under Gujarat Renewable Energy Policy – 2023, G.R. No. REN/e-file/20/2023/0476/B1 dated 4th October 2023 and amendments thereof, if any (the “Policy”)

Ref : 1. Application No. GUJ/RT/OTH/10098125 dated 08.12.2022

2. DisCom Consumer No. 52304014534 and Sanctioned Load/ Contract Demand 10 kW

3. Solar PV Capacity (AC) to be Installed 10 (kW) ; Plant DC Capacity to be Installed 10 (kW)

Dear Sir,

Thank you for your online application for setting up of a rooftop solar PV system. Your application is registered with GEDA and the Registration Number is MG/OTH/GOV/10098125. This Registration Number with the name of the applicant and the name of the Installer that you have selected must always be quoted for any communication with GEDA in this regards.

Your application is registered for installation of the rooftop solar system of 10 kW AC, 10 kW DC Capacity (the “Capacity”) under Industrial/commercial sector. .

This Registration Letter is copied to the Installer selected by you, the Chief Electrical Inspector, CEA, (if applicable), and to the DISCOM in whose service area the rooftop system is to be located, for their further process. The registration of your project shall be governed by the following terms and conditions:

1. This Registration is neither transferable to other applicant nor is transferable to any other Solar PV Installer, (the "Installers"). This Registration shall be governed by the provisions of Gujarat Renewable Energy Policy – 2023 & GERC Net Metering Regulations from time to time and its amendments thereof, if any.
2. In the event if you have to change your selected Installer after the Registration, you need to cancel this Registration and apply under a fresh application.
3. You have registered the solar PV plant under the Clause no. 9.2 of Gujarat Renewable Energy Policy-2023.

4. You shall ensure that the location proposed for installation of the system is shadow free during the entire day and also keep the system clean and dust free for optimum output.
5. You shall sign the connectivity agreement with the DISCOM upon its ascertaining the technical feasibility of the system installation.
6. You shall allow access to your premises by representatives of GEDA/ DISCOM/ CEI for installation of respective meter as per provision of Gujarat Renewable Energy Policy – 2023 and its amendments thereof, if any / inspection/ verification of the system.
7. The respective meter shall be installed in accordance to the technical specifications defined by the DISCOM.
8. The technical specifications of the Solar PV system and all its allied components, shall be mutually agreed between YOU and the INSTALLER selected by you.
9. It is YOUR sole responsibility to ensure and check all the components properly with the selected INSTALLER. In no case, GEDA shall responsible for the delay in installation, sub-standard material, low generation or any issue related to performance and quality. However, it is advisable to always install solar PV system in the shadow free area and with proper sizing and structures for maximum generation. Further, the Applicant shall check the requisite documents and reports from the suitable simulation tools on its own or through the Installer to ascertain the above mentioned points.
10. This Application has been submitted under **Industrial/commercial** Category.
11. The Provision of “Approved List of Models and Manufacturers” (ALMM) & its amendment issued by MNRE from time to time shall be applicable.
12. The Provision & amendment issued by GERC/ EPD from time to time shall be applicable.
13. This project shall be governed by the Gujarat Renewable Energy Policy-2023 and the GERC regulations issued from time to time. The Renewable Energy Generator shall be bound by all the provisions as decided by the GERC.
14. The Applicant, KASHTURBA GANDHI BALIKA VIDHYALAYA, has given following signed undertaking in the application form for installation of the solar roof top system under this registration.

UNDERTAKING: I hereby agree that:

1. This Project is registered under the Capital Expenditure (CAPEX) mode, where the solar PV system is owned by me and electricity generated is used by ME.
2. I have on my OWN selected the Installer upon due diligence and have mutually agreed with the terms and conditions amongst ourselves.
3. I am aware that GEDA has no role whatsoever in the selection of the Installer/Vendor and thus GEDA is not responsible for INSTALLER's technical and financial capabilities, quality and integrity, any kind of delay; financial or technical loss, quality and standards of the system and its components; theft, financial transaction done or any criminal assault occurred because of the selection of the Installer.
4. I am fully responsible for the Solar PV system that will be installed under this application.
5. I am aware that the Gujarat Renewable Energy Policy – 2023 and its amendments thereof under which this project is registered does not have any provision of subsidy or financial assistance.
6. I agree to abide by the provisions of the Gujarat Renewable Energy Policy – 2023 and GERC Net Metering Regulations from time to time of with all amendments thereof.

Yours faithfully

For Gujarat Energy Development Agency

CC To	1. The Chief Engineer MGVCL	With a request for ascertaining the technical feasibility, signing of the connectivity agreement and installation of the bi-directional meter.
	2. The Chief Electrical Inspector	With a request to approve the SLD and grant charging permission for the eligible system capacity.
	3.Surya International	For necessary action, and installation of the solar system upon technical feasibility done by the DISCOM
	4.CEA	With a request to approve the SLD and grant charging permission for the eligible system capacity. (if applicable)

DISCLAIMER: The PV Installer/ Vendor/ EPC Company is selected by the Applicant/Consumer as per his choice, GEDA owning no responsibility of the EPCs for his technical, financial strength quality integrity, etc. and the financial transactions with PV Installer.
