

To,

Sub: Installation of Rooftop Solar PV System under the subsidy scheme

Ref:

1. JREDA Work Order No.
2. Your application for availing %% State CFA for Rooftop Solar PV system
3. Your application for availing %% MNRE CFA and %% State Subsidy for Rooftop Solar PV system.
4. Net metering application dated 13.Jun.2018
5. Consumer No.
6. Agreement dated 13.Jun.2018
7. Letter dated 13.Jun.2018

Sir,

With reference to above, Director, JREDA is pleased to sanction subsidy for the above-mentioned system as per the details given below:

1.	JREDA Work Order No.	
2.	SPV panel specification/capacity	As per latest edition of IEC 61215/ 0 kW
3.	Grid tied inverter specification/ capacity	As per IEC 61683/IS 61683 & IEC 60068-2/ 0 kW
4.	Type of beneficiary	Rs - /-
5.	Total System Cost	Rs 0 /-
6.	MNRE %% CFA of MNRE benchmark cost	Rs. - /-
7.	State %% Subsidy of MNRE benchmark cost	Rs. - /-
8.	Total Subsidy	Rs. 0 /-
9.	Address where GCRT plant will be installed	Rs. /-

1. You have to get the system installed before 13.Sep.2018 from the date of issue of this letter through M/s Pritesh Solar Pvt as per your request.
2. The agency shall install the system as per terms & conditions of JREDA NIB no. and Specification (inclusive of indigenous SPV modules).
3. You shall issue us a letter of installation of the system along with copy of Connectivity agreement with Discom, Bi-directional and Solar Meter installation & its details to enable us to undertake its inspection.
4. The subsidy amount for a Solar PV system at the rate mentioned above (without battery system) shall be released to Beneficiary or to the Contractor on recommendation of beneficiary.

5. Subsidy sanctioned to you will be treated as cancelled on failing to comply with above terms and conditions.
Above mentioned subsidy amount can be reduced or cancelled without assigning any reasons.

Yours faithfully,

(Niranjan Kumar)
Director-JREDA
