Application created by Installer Created On 1-Dec-2020 11:59 AM

I hereby agreed & confirmed to install rooftop system in the applicant's premise. YES

I am applying for installation of Solar Rooftop PV system under CAPEX mode as per Govt. of Gujarat's 'SURYA -Gujarat' scheme MNRE's Phase-II SRT Programme.

Declaration and Undertaking:

1. I declare that I am Owner / in Lawful possession of the premises where I intend to set up Solar Rooftop Plant under SURYA-Gujarat Scheme /MNRE's Phase-II SRT Programme.
2. I hereby undertake that DISCOM/GUVNL will not at all be liable for any matter related to the entire electrical safety, structural stability and performance of the system for entire terms of Inter-Connection Agreement to be signed in accordance with GERC Net Metering Regulations. Further, it shall be the entire responsibility of the Applicant and in no case MNRE/GUVNL/DISCOM shall be held responsible whatsoever that may arise during the lifespan of the solar PV system.

3. I hereby request MGVCCL to deposit the amount, if any, receivable at the end of financial year towards purchase of surplus energy by MGVCCL in my following Bank Account

- Bank Account No.: 2051413855
- Name of Account Holder: ASHOKBHAI AMBALAL PATEL
- Name of Bank: CENTRAL BANK OF INDIA
- IFSC Code: CBIN0282282

4. The energy Settlement and other terms & conditions shall be governed as per the GERC Net Metering Regulations as amended from time to time.

5. For installation of grid connected Residential Rooftop Solar PV System (RRSS) under SURYA-Gujarat Scheme of Govt. of Gujarat & MNRE's Phase-II SRT Programme, Solex Energy Ltd. - 131/A, Phase-1, GIDC, Nr. Krimy, Vu Nagar, Anand Gujarat 388121 (the "Empanelled Agency" or "Installer") and Mr. ASHOKBHAI AMBALAL PATEL (hereafter referred as "Consumer" or "Applicant") (collectively referred as 'Parties') have entered into Agreement or Memorandum of Understanding (MoU) herein as under, which shall be construed as part of this application form.

6. It is understood between the parties that the role of GUVNL and DISCOM is just to facilitate the process of subsidy and the Consumer shall be responsible for any payment made to Installer. Further, the consumer shall undertake its own due diligence regarding the quality of system and timeline for completion of Solar Rooftop System in consultation with the Installer before submitting this application. Further, it has been agreed and undertaken by and between the parties as under: -

- Consumer has registered the project under Gujarat Solar Power Policy – 2015, its amendment time to time and SURYA-Gujarat scheme with Application number GUJ/P2/20-21/RT/RES/10171653 for installation of grid connected Residential Rooftop Solar PV System (RRSS) under MNRE/ GUVNL's subsidy scheme 2020-21 through the above authorized Agency Empanelled by Madhya Gujarat Vij Company Ltd.(MGVCL). The subsidy shall be applicable as per Annexure-A.
- Grid Connected RRSS installed under Government of Gujarat/ MNRE subsidy scheme will not be transferred/ sell/ disposed without prior approval of Distribution Company for a period of five years.
- Parties agrees and undertake that DISCOM/GUVNL/MNRE shall not be responsible or party to any dispute between the Consumer and Empanelled Agency or dispute involving the Supplier (Original Equipment Manufacturer- OEM) selected by the Empanelled Agency.
- The Empanelled Agency shall follow the instructions given by the Supplier for proper installation and function of the system and its upkeep; and shall inform the Supplier immediately for its non – functioning. The Empanelled Agency shall provide necessary service for the breakdown maintenance of the system for the period of 5 years.
- The consumer hereby understand that the Structure prices for height upto 300 mm clearance from the roof level is included in the prices mentioned in the Annexure-A. In case the structure is above the mentioned height then the rates for the additional structure height has been mutually decided by the Installer and the Consumer. GUVNL/DISCOM has no role in it. It is further understood that parties have mutually agreed about the quality of system as well as timeline of installation which shall not be later than prescribed project time schedule from the date of payment of Firm Quotation.
- It is understood by the consumer that DISCOM/GUVNL/MNRE has no role in the selection of the Empanelled Agency and DISCOM shall not be held responsible for any dispute related to Agency if may arise in future between the parties.

This memorandum of understanding is effective from signing by the parties and will be valid for the period of five years from the date of commissioning of system. In witness whereof these parties have set their hands in token of affirmation and acceptance of the terms and conditions herein above written and mentioned.

Annexure-A Information

1. Subsidy for Residential Consumer: - Subsidy of 40% shall be available for the Solar rooftop systems up to 3 KW; and 20% for Solar rooftop systems beyond 3 KW up to 10 KW, installed and commissioned by private residential consumers on the approved price discovered through the competitive bidding mentioned as under.
2. Subsidy for Common facilities of GWS/RWA: - For Group Housing Society (GHS) / Residential Welfare Association (RWA), the subsidy would also be available at a rate 20% for solar rooftop system for supply of power to common facilities of that GWS/RWA, on the approved price discovered through the competitive bidding mentioned as under. The capacity eligible for the subsidy to GWS/RWA will be limited to 10 KW per House and the total shall not exceed 500 KW per GWS/RWA. Common facilities shall include such assets of the GWS/RWA that are built for the use of all its residents such as waterworks, lift, street lights, gym, swimming pool, garden, etc.
3. In case of capacity Addition: - The following consumers those who have already installed and commissioned the solar rooftops under the earlier scheme shall also be eligible for the subsidy, provided that

- a. the already commissioned system is of capacity less than 10 KW
- b. the subsidy shall be eligible only for the incremental capacity @ 40% if the aggregate capacity upon enhancement is not more than 3 KW and @20% if the aggregate capacity of the enhanced system is less than 10 KW

4. Approved Rate discovered through EOI 2020-21 for Design, Supply, Installation, testing & Commissioning of Grid connected Rooftop Solar Photovoltaic Systems in Residential premises, including five years comprehensive maintenance:-

Sr. No.	System Capacity Range	Price to be Match (unit end cost including GST) Rs/Wp(DC)
1	1.00 KW	46.8270
2	2 KW=1.01 KW to 2.00 KW	42.9937
3	3 KW=2.01 KW to 3.00 KW	41.9918
4	3 KW=3.01 KW to 4.00 KW	40.9932
5	4 KW=4.01 KW to 5.00 KW	40.9932
6	5 KW=5.01 KW to 6.00 KW	40.9932
7	Above 6 KW to 10 KW	40.9932
8	Above 10 KW to 25 KW	37.8428
9	Above 25 KW to 50 KW	32.6700
10	Above 50 KW to 100KW	31.5810
11	Above 100 KW	30.4920

5. Whenever any amount is paid by consumer to the selected Empanelled Agency towards non-subsidy part of the project cost, the Consumer shall require to obtain the original Money Receipt from the concerned Agency and will convey the amount paid with date through SMS from Consumer's registered mobile number or through mobile App/through portal.
6. Empanelled Agency himself shall require to collect payment from applicant instead of collecting through Sub-vendor. Empanelled Agency shall give valid money receipt to the consumers as a proof of payment and same is required to be uploaded on portal within three days of payment transacted.
